Sub: One week Hands on Training in CNC & Robotics Programming in Manufacturing Industries

We are glad to inform, you that Sri Venkateswara College of Engineering and Technology (Autonomous), Chittoor, is. organizing One week Hands on Training in CNC & Robotics Programming in Manufacturing Industries from 11th- 16th Dec, 2017.

We hope that this forum will help the students and Faculties to project their technical and innovative ideas and to focus the latest technological challenges in the field of Automated Engineering and Technology

We take great pleasure in inviting you to actively participate in this Training and make the event a grand success. We request you to kindly display the enclosed Brochures in the appropriate places of your institution and encourage your students and faculties to participate in the One week Hands on Training in CNC & Robotics Programming in Manufacturing Industries".

Thanking you,

With warm regards

(Dr. C. Vijaya Bhaskar Reddy)
Programme President
